## **LARUCHKA EVERTS**

*Somatologist*

Meet Laruchka – Founder & Lead Therapist at DermaHyde Laser Clinic Laruchka is a qualified somatologist with an advanced diploma in dermal aesthetics and 13 years of hands on experience in the aesthetics industry.

Her passion for skin health runs deep, and she believes that true results come from a combination of science, medical-grade skincare, and a holistic approach to wellness.

At DermaHyde Laser Clinic, Laruchka is dedicated to treating skin at a cellular level—delivering visible, lasting improvements through personalized care and advanced treatments. Her mission is to help every client achieve radiant, healthy skin by blending professional expertise with genuine care.

Meet Marzanne, our newest somatologist!

Marzanne is a proud 2024 graduate at Isa Carstens Academy. She's always believed in the power of self-care and how it can transform not just the skin, but overall confidence and wellbeing. She has a strong interest in holistic wellness and love combining relaxation with results-driven skincare. She is certified in a range of professional treatments, including advanced facials, chemical peels, mesotherapy, needling, and waxing - just to name a few!

She loves staying up to date with the latest techniques and trends in the industry, and always looking for ways to grow and provide the best possible experience for her clients.
